

# HOMeward Bound

THE GIVING IT BACK AND PAYING IT FORWARD REAL ESTATE NEWSLETTER

**GIVE ME  
30 Seconds  
AND WE'LL SAVE  
a Kid's Life Together...**

It's April and by the time you read this, it will be well into the month. That means I can't play any April Fool jokes on you. I've never been a fan of those anyway. When I was a kid, my favorite radio station 98 Rock in Maryland announced they were going to be changing formats and playing elevator music and for half the day they did that, only to announce it was a big April Fool's joke.

Another big deal in April is tax day! That's right... the deadline for filing personal income tax returns always comes around too soon. I don't think most people mind paying taxes as long as they are being put to good use. I think it's the waste that bothers most US citizens.

Both days I mentioned above are sure conversation starters, one full of funny stories, the other maybe not so much. However, there are a few days more memorable than the day you buy your dream home. That day is supposed to be fun, exciting, and provide a great feeling of accomplishment.

Four paragraphs into this month's Homeward Bound, you are wondering how the headline ties into any of this. If you are receiving Homeward Bound for the first time, you will notice **we give back to those in our community who need help the most.** Like the Kids at Johns Hopkins Children's Center (JHCC)!

Not far from where I'm writing this, Johns Hopkins Children's Center has a full house of kids with many of them fighting for their lives. That's no April Fool's joking matter. It's also likely taxes are the furthest thing from the minds of the parents with kids at JHCC.

This is where you can help!

If you or anyone you know is considering making a move, we would like to offer them a **FREE, no obligation consultation** to discuss just how they can make their move, get what they want, and do it with the least amount of hassle. Just like we are thankful for you and your business, I am confident your referrals will be thanking you for steering them in the right direction when it comes to getting their home sold!

Just like last year, we are on a mission to raise another \$25,000 for Johns Hopkins Children's Center. We do this by donating a portion of our income from every home sale that is referred to us. As you know, Johns Hopkins Children's Center does great work in helping kids fight through and survive nasty, life-threatening diseases like cancer, Non-Hodgkin's lymphoma, leukemia, and others.

I remember when I first heard about a young person in our real estate community suffering from a nasty disease and getting treated for that at Johns Hopkins Children's Center. It was then that I began to pay closer attention to the work they do at that hospital. Since then, I have learned that it is a collection of hardworking healthcare professionals, most making their home right here in the Greater Baltimore area, all coming together for a common cause. That cause is to help young people overcome unfortunate health issues that life sometimes throws our way. Being a local resident, I take pride in supporting the good work these people do at Johns Hopkins Children's Center.
