THE GIVING IT BACK AND PAYING IT FORWARD REAL ESTATE NEWSLETTER

Happy
Independence
Day!

As you know, July is the month to celebrate FREEDOM!

We assume the rights of freedom and debate its boundaries in politics, yet how often do we reflect on what freedom means to us personally?

Freedom is not a concept carved from stone; it is malleable and personal, always shifting depending on where you find yourself standing and the angle of the slanting light. My definition of freedom is the ability to act based on my convictions without external restriction or retribution. It is the ability to represent myself as I see myself to be, not having to hide or disguise who I am to pursue happiness, fulfillment, and growth. It is the power of self-expression.

Personal freedom is one of my top three values.

Of course, there are boundaries to freedom. My actions should not hurt others or restrict their freedoms, and so this is the dance of conscience. Will what I want conflict with what others want or need? If so, how can I have the personal autonomy I need while respecting the freedom of those around me?

There is always a path for mutual free expression when we respect one another. Today, as we prepare to celebrate freedom month, I offer the following quotes as food for thought:

"We must be free not because we claim freedom, but because we practice it." — William Faulkner

"If we don't believe in freedom of expression for people we despise, we don't believe in it at all." — Noam Chomsky

And I leave you with these questions: Which, if any, of these quotes resonates with you? What do you believe about freedom and how do you describe or define it?

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, among these are Life, Liberty and the pursuit of Happiness."

Beautiful famous words. Those words come to life for us when you consider the idea of owning real estate, especially your own home.

My Guaranteed Sale program is a solution for homeowners experiencing Catch-22 in real estate. This is how successful businesses are built. Identify something that is a problem for people and solve it.

In today's market, many homeowners want to make a move, but are finding themselves in a Catch-22 - whether to sell first or buy first. They don't want to end up getting stuck owning two homes or none at all.

My solution to this dilemma is this guarantee: "Your Home Sold Guaranteed at a Price Agreeable to You or I'll Buy It*". This is my revolution, so to speak, that deals with the age-old question of whether to buy first or sell first.

**TURN YOUR
REFERRALS
TO CASH!**

Do you want to earn \$2,500 for just referring someone that you know who is thinking about making a move?

If you referred just one person a month you could make an extra \$30,000 per year!

The process is very simple, if you want to receive your referral in cash then register for our simple on-boarding program or you could choose to donate the money to a church or charity of your choice.

Think about what \$30,000 could do for an organization that you're a part of or a worthy cause you believe in.
