The month of November brings about an extra opportunity to say Thank You for being a valuable part of our business. As most begin to prepare for the Holiday season, enjoy Thanksgiving get-togethers and the like, it's easy to become wrapped up in all that we have to do to ensure a fun, joyful time for all we are responsible for and overlook all that we have to be thankful for. Gratitude is an attitude that is contagious!

Unfortunately, many homeowners are desperate to exit their current homes. Actually, loathing at this time of year adds to the frustration of not being settled for the holidays. You may know someone or a family that fits this description.

**IF YOU OR A FRIEND ARE THINKING ABOUT
SELLING, MAKE SURE TO CHOOSE A
REAL ESTATE COMPANY YOU CAN TRUST!**

As a result of working with over 2,000 families for more than two decades, we have developed special programs to help home sellers and buyers navigate the ever-changing real estate market.

For the month of November, we will guarantee the sale of the home of the people you refer for **101% of their asking value or we'll pay the difference — upfront and in writing.**

I know there is some risk on our part in making such an incredible guarantee, but we sell just about every home we list for the market value price, sometimes even more. So, there is no reason for Maryland & Pennsylvania homeowners, your friends, and family to worry about selling right now.

Johns Hopkins Children's Center is Making a Difference Today and for Tomorrow

I am very happy we got to do business with you and I'm confident that the people you refer will be very happy that you steered them in the right direction to help them get their home sold! Another way we're on a mission to help others is through our tangible and meaningful support of young people who need it most.

We are on a mission to raise \$25,000 for Johns Hopkins Children's Center. As the area's leading non-profit, Johns Hopkins Children's Center depends on sponsorships and donations to continue its leading-edge care and keep family expenses to a minimum.

We are committed to donating a portion of our income from referred home sales to this very worthy cause. So, your referrals really do help the kids.

Your referrals help the kids overcome sickness, pain, setbacks, and make wishes possible for them even if they are confined to the hospital.

Just give me a call or pass my number on to anyone you know considering buying or selling. My number is **410-793-1616**.

I hope this special month of showing thanks brings you much joy and happiness.

With all my appreciation,

Vinny Steo

One Big Gift for One Deserving Family

The spirit of giving is truly alive this season!

We're thrilled to announce that we've selected the winning family for our Home for the Holidays: Commission-Free Move Giveaway — our special community campaign designed to help one deserving family start a new chapter in a home they can truly call their own.

Over the past few weeks, we received heartfelt nominations from friends, neighbors, and community members who wanted to make a difference for families in need. Each story moved us deeply, reminding us of the strength, resilience, and compassion that make our community so special.

After much consideration, our team has chosen one family whose story touched our hearts. Visit www.HomewithVinny.com as we share their story and take you along their journey — from nomination to move-in. We can't wait for you to meet them and see how your support made this possible.

To everyone who took the time to nominate, share, and spread the word — thank you. Your kindness and community spirit made this campaign a success, and we're inspired to keep giving back in bigger ways.

Because home isn't just a place — it's where hope begins.
